Hi Doug -

It's been a great weekend. The ECEJ Leadership Team and their families came over for dinner last night - it was a lot of fun...and a lot of dishes!

I'll be in the office all week and will schedule time with you to discuss our inspections. I'll try to find a time that also works for Deb and Megan in case they'd like to participate.

Suzanne

Subject: Report and Inspections

Hi Suzanne, I hope you're weekend is going well.

Can we talk this week about this report and our inspection focus moving forward. I've been thinking since our call with HQ this week. I think we've been doing a good job of focusing on our DI work but I would like to better understand that planning process and also the numbers in this report. Part of what we've discussed previously is that there are fewer FTE performing the same work, I want to better understand our FTE count currently versus FY 16-17.

We can talk more tomorrow but if you have time this week let's get together.

Thanks Suzanne,

Doug
